Hi Peter,

We meant to write sooner, but only got back from honeymoon. We would just like to say thank you so much for playing at our wedding in Dunboyne Castle on Sat. 8th Sept. last. It was a fantastic night and you guys were brilliant. You had the whole dance floor filled on night and the way you guys sang our first song 'Billy Ocean, Suddenly' was amazing - we will never forget it!

Thanks and regards,

Leanna and Mark Pick.

Hi Peter,

I just wanted to send an e-mail to you and your band to say thank you so so much for playing at our wedding on the 12th August 2007 in The Hodson Bay Hotel, Athlone. We couldn't have chosen a better band. Myself and Hamish were told you were very good and we saw it for ourselves! The music you played really kept everyone on the dancefloor all night - including myself!!! Everyone was so taken with the band, you were the topic of conversation that night and the next day. Your band are brilliant and they really know how to read a crowd with what they would like and dislike.

Thank you again for making our special day even more special.

We will definitely be recommending you to all our friends and family.

Kind regards,

Olivia & Hamish Glynn.

Peter,

I wanted to drop you a quick note to let you know how delighted Caroline and I were with Sarah, The Persuaders and the TackRoom Duo playing at our wedding in Adare Manor on the 30th June last.

We were sent some video clips of the church ceremony yesterday and the singing was amazing – unfortunately I was so nervous that I almost didn't notice it on the day. The Persuaders did a great job of gauging the audience and picked up the pace of the music at all the appropriate times in the evening, and we were thrilled that the dance floor was full for the entire evening. Caroline and I left the Tackroom at about 3am, but you guys were still going, which was well above the call of duty – I can only assume that you were enjoying yourselves!

Personally, I also found you to be extremely easy to deal with, very professional and very accommodating. This made my life substantially easier as we were doing so much of the organising ourselves.

I would be very happy to provide a reference to prospective clients of yours at any time, if it would be helpful. Please let me know if you would like something in writing.

Please pass our thanks on to Sarah and the rest of the Persuaders.

All the best, and thanks again,

Mike

To all the Persuaders,

Thank you so much for the fantastic performance at our wedding in Belleek Castle on 21st July - you made it!

We'll never listen to "Video killed the Radio Star" again without smiling - I think we nearly had a MOSH on our hands!!!

You were brilliant, and if anyone ever needs a reference, we'd be more than happy to give one. Hope this finds you all well, and thanks again.

Liz & Jimmy.

Hi Peter,

I just wanted to take this opportunity to say thank you so much to you and the band for everything you did for us on our wedding day. You were fantastic and without a doubt really made the night for us. Loads of people have since commented to us about how great they thought you were. Your rendition of ABC's Look of Love was just brilliant. Our only regret is that we should have got bloody dancing lessons - that first dance will probably haunt us 'til the day we die! Anyway once again, thanks a million.

Hi Peter

Just a quick note to say thank you to you and all the band for helping to make our wedding day a truly memorable day.

The music was fantastic and everything that we were looking for.

Our guests have been full of compliments for you and the band.

The music appealed to all the age groups at the wedding, and the dancefloor was full from start to finish.

Thanks a million!

Hi Peter,

Once again, I'd like to thank you sincerely for playing at our wedding last night. The response from quite literally ALL of our guests was phenomenal - they all commented on how good the band was and many wanted to know how we found out about you so I would expect that you'll get some calls from some of them in the near future.

The range and variety of tracks that you covered were brilliant - just what we needed to get everyone on the dancefloor and into the swing of things!! I'd also like to thank you for your attention to detail - your cover of the Crowded House track that we had requested was first class - and it was obvious that you had really paid attention to the form that I had completed about what we did and didn't want and that was much appreciated by both Graham and myself.

I wanted to put this up on your website but couldn't figure out how - doh! Feel free to post my mail on the site and I'd be happy to support this testimonial at any time.

Thanks again,  
Veronica

Hi Guys,

Just wanted to say thanks for the great music at our wedding in the Liffey Valley House Hotel on April 23rd. It was really brilliant and everyone, from young to old, thought you were an excellent band and you played a great selection. Ciaran's aunt has recommended you to her son Neil who's getting married in August and I believe they booked you already to make sure they got you guys.

So thanks again and the best of luck to you and the band in the future.

Just want to say a big thank you to you and the rest of the band for a fantastic night. The first song was exactly how we imagined it and everyone is still talking about how great you were.

Apologies for the delay in getting your cash as well, I reckon the best man was trying to keep it for himself!! Ha ha.

Thanks again & Kindest Regards

Been wanting to write to say thank you so much for the superb job you did playing at our wedding. We loved every minute of it! What a great sound you guys have! We loved all the songs & so did our guests - there was such a fabulous mix to suit all the ages. It was perfect! A special thank you too for our first dance - Thank you by Led Zeppelin, which was fabulous! A live band makes such a difference at a wedding! We are so glad that we chose you to play. We would highly recommend you to anyone! Loads of our guests said how good you were & how much they enjoyed dancing too. Thank you for such a professional job both on the day & in all our dealings with you.
